

Robert Louis Stevenson's Treasure Island - Robert Louis Stevenson

[DOWNLOAD HERE](#)

Treasure Island is an adventure novel by Robert Louis Stevenson, narrating a tale of "pirates and buried gold". First published as a book in 1883, it was originally serialized in the children's magazine *Young Folks* between 1881-82 under the title *The Sea Cook, or Treasure Island*. Traditionally considered a coming-of-age story, it is an adventure tale known for its atmosphere, character and action, and also a wry commentary on the ambiguity of morality-as seen in Long John Silver-unusual for children's literature then and now. It is one of the most frequently dramatized of all novels. The influence of *Treasure Island* on popular perception of pirates is vast, including treasure maps with an "X", schooners, the Black Spot, tropical islands, and one-legged seamen with parrots on their shoulders. Author: Stevenson, Robert Louis
