This book is about your original purpose for existence and the source of meaning behind your life. In these pages you will discover the Creators divine motivation, design, and mandate for His creation and your role in that creation. After reading this book, you will be equipped with the knowledge to answer some of the questions addressing the heart cries of humanity in our search for a better world. I am convinced also that you will come to believe, as I do, that there is hope for mankind, but only as we reconnect to the source of creation and our Creators original concepts for life on planet earth. It is this concern that this book will attempt to address. The goal of this book is to reintroduce the concepts, principles, and nature of true authentic kingdoms as presented by the Creator and show the superior and advantageous nature of kingdom as compared to any religion, political ideology, government system, or social program. Join me as we explore and understand the precepts and principles of the Kingdom.
