

# Epistemology Of Decision

[DOWNLOAD HERE](#)

This book carries out an epistemological analysis of the decision, including a critical analysis through the continuous reference to an interdisciplinary approach including a synthesis of philosophical approaches, biology and neuroscience. Besides this it represents the analysis of causality here seen not from the formal point of view, but from the 'embodied' point of view. EAN/ISBN : 9789400754287 Publisher(s): Springer, Berlin, Springer Netherlands Format: ePub/PDF Author(s): Graziano, Mario - Graziano, Mario
