

Knowledge And Democracy: A 21st Century Perspective

[DOWNLOAD HERE](#)

This volume explores the relationship between knowledge and democracy, Do they support each other, do they mutually depend on each other, or are they perhaps even in conflict with each other? Does knowledge increase the freedom to act? If additional knowledge contributes to individual and social well being, does it also enhance freedoms? Knowledge and Democracy focuses on the interpenetration of knowledge, freedom and democracy, and does so from various perspectives, theoretical as well as practical.
