1250 A.D. is an eclectic and diversified mixture of hip-hop, R&B and jazz based in the southern influence. The EP is an introduction to the unique and compelling sound of 1250 Entertainment. 13 MP3 Songs HIP HOP/RAP: Southern Style, JAZZ: Jazz Fusion Details: Family, teamwork, and respect are the cornerstones of 12:50 Entertainment. 12:50 does not just talk this we walk this. The entertainment industry (especially the music business) has proven time and again that once an artists talent has been exploited monetarily to the max, fickleness starts setting in from the industry. Soon, youre not needed or wanted anymore. 12:50 is about appreciating who and what came before them. 12:50 is not strictly about music but also about setting positive examples for the young people. Some of the content in the music is not suitable (or meant to be) for the kids under 18 years of age. But at the same time, 12:50 is not talking about hurting or taking someone elses life. Theres already more than enough of that. Theres too much regard and appreciation for life in the 12:50 camp to come across like that. Originally started in Shreveport, La. but now based in Sherman, Tx., 12:50 Entertainment is about experience and growth in life. The music is the outlet and platform for those experiences. Talent may get you in the door, but it won't keep you there unless you have a strong and knowledgeable support team (or group). You must obtain some knowledge of the business or you're doomed before you start. Learn about publishing and get affiliated with a P.R.O. (Performance Rights Organization) such as ASCAP, BMI or SESAC. For more information visit 1250entertainment.com. Thank you for your time and support. Peace and one love from Ace-Deuce-Fifty!
