I rescued my mother from the nursing home she was in, recovering from a serious accident....she was down to 82 pounds was not going to survived the meds they had her on. She was home for the first day, I was in the throws of realizing that I would now be her 24/7 full-time care (bath, bowls, full 9 yrs) when the production company financing my CD called to tell me (5 weeks! before everyone was due in to record from all over the planet, w/ 6 months of everything in place down to the last taxi ride) that I should 'consider' finding a cheaper studio. In a pre-emptive strike I said I wasn't leaving Mix One Studios, walked away before the sht could hit the fan. My mother, realizing the horrific mess I was in, came forward financed this CD. I am eternally grateful to her. This CD is dedicated to my mother. Many of the songs from this collection are 'progressive', developing over a sound-scape trajectory therefore making the sound clips a somewhat interesting issue, rendering the 1st-120-seconds-format rather useless. Pedro Ito drums, shot-glasses, guitar on 'Baby', percussion Richie Barshay tablas, mic stands, percussion drums Esperanza Spalding bass rapping on 'Chico's girl' Jordan Scannella bass rapping on 'Chico's Girl' Nando Michelin piano/prepared piano, melodica, Fantom synth Ivan Sierra vocals vocal parts on 'Trina' Alida Rohr vocals Christian Kaufmann bass on 'Baby the Cat' Geni Skendo flute on 'Baby the Cat' I waited almost 2 years before releasing this 'LIVE' studio recording,...KILLER BAND!!!!...I have loved every moment of playing, recording just plain knowing them..... money issues, a monumental 'vacuum-moment' @ the Hotel Broke&UnKnown after LoboSan returned to Sao Paulo...las cosas simples (heard from Pedro recently...ha ha ha ,says he misses WO12 this freakin'Country). Everyone in this constellation of monstrous musicians went their way, except Niento, who continues to grace everything I

do w/his gorgeous voice amazing abilities. The Session @ Mix One Studios was filmed by Smoking Cat, the video is here: [weatheroutpost12.com/videos.html](http://weatheroutpost12.com/videos.html) The Band photo is here: [weatheroutpost12.com/blogs/?page\\_id=6](http://weatheroutpost12.com/blogs/?page_id=6) Like I said...KILLER BAND!!! it is what it is....so, &, I am now collaborating w/ Midnight'sExile. I remain the same, Esquecida Production for 'Baby the Cat' Midnight'sExile Production for everything else A.Rohr Mixed Mastered by C.Kaufmann Recorded @ Mix One Studios w/ T.Paduck People who are interested in should consider this download.
