This prescribed live black-market exudes honesty and soul. Amy Jo's courageously personal lyrics are the persistent truths we sometimes try hard to deny. 9 MP3 Songs Rock Acoustical Rock Folk Rock imperfect Songs Details: When I find myself stuck in the restrictions of my idea of who I remember I am supposed to be I have to force my self to stop and look at who I really am. For the past ten years I have voiced my lyrics through many different bands and many different styles. All of which I learned from and loved. Some were not as true to me as I wanted them to be and some fit like the friend they were. I decided this past year to go back to my initial baby instincts I had when I started writing ten years ago, the simplistic approach of honesty. I am sharing with you a live recording that is filled with my exploration of this step. So please forgive me for all the mistakes and flaws this raw and vulnerable recording holds. I give you my heart, which is undoubtedly "IMPERFECT"
