

Mp3 Angus - Face The Day

[DOWNLOAD HERE](#)

roots rock 11 MP3 Songs Rock Roots Rock Rock Americana Face The Day Songs Details: Angus' tertiary CD "Face The Day" has been said to possess "a gracious warm wakeless that's all astir rock 'n' roll and its roots...Happy Band-like ditties are mixed with such social relevance as the pro-marijuana tune, 'Why Can't I?' Clever lyrics and sweet harmonies can be heard throughout the...disc." - Bob Makin, Courier News Some special guests found on the 11 track CD include John Ginty of Robert Randolph and The Family Band (producing and performing on Organ, Piano, drums, etc...), Jamie Coan from From Good Homes and the brilliance of drummer and rock and roll hall of famer Levon Helm formerly of The Band.
