"Her voice. as versatile as any woman you'll hear on the radio today.at times delightfully easy on the ears, also fires up the live crowds with a bluesy enthusiasm that continues to win new fans far outside of her native city of Warwick." - The Providence 11 MP3 Songs FOLK: Folk-Rock, ROCK: Acoustic Show all album songs: A River Under Me Songs Details: Becky's voice is unforgettable. Much like Melissa Etheridge or Bonnie Raitt, once you hear Becky's voice you recognize it like a familiar scent that sparks a memory. As an artist, Becky is many things: a crooner, a crass commentator, a sympathizer, a gay rights activist, a lover of profanity and polite behavior, she is real to herself and her audience. Together with longtime friend and guitarist Brian Minisce, Becky Chace writes, performs, and records genre-defying, soulful music which twists and turns through the varied paths of life leaving their listeners feeling connected to the bigger picture through the window of their work. Their music has the sadness and swing of alt-country and blues ala Lucinda Williams, but can kick into the rock bravado of rock and pop ala Bruce Springsteen and drop into the lonely despair of a folk song all in one set.
