

## Mp3 Blake Mackey - C'mon Eschaton

Singer songwriter with an amazing sonic colorization to every song; maybe what Elliot Smith would have done if he were in Sonic Youth. 10 MP3 Songs FOLK: Fingerstyle, AVANT GARDE: Electro-Acoustic Details: Nick Drake, Elliot Smith mood, Chet Atkins guitar style, and Sonic Youth like effects, all come to mind when listening to "C'mon Eschaton". The first song "Pure Light" recorded with Mark Pirro (Polyphonic Spree) sets the tone as easily the album's single. Although songs like "Bottomless Pit" could also be heard on any college radio station, the entire album has easily become part of my regular listening. --Nate from the band "Creatures United" People who are interested in should consider this download.
