High Energy Celtic Rock. 13 MP3 Songs WORLD: Celtic, ROCK: Instrumental Rock Details: Brace Yourself Bridget is one of the best sounding Irish Rock bands on the East-Coast Irish scene. The band members grew up in both Ireland and the US to form a modern sound with traditional Irish music at its roots. Brace Yourself Bridget has turned old traditional Irish melodies into upbeat sounds bleeding with energy; with a genuine respect to the original music. Their popular original Hummina is played repeatedly on the acclaimed online Midwest Irish Radio heard around the world. Brace Yourself Bridget achieves the difficult task of capturing the energy of their live shows and bottling it into their debut album.
