Album #2 from a new Singer/Songwriter - Progressive Folk - Pop/Rock - Modern Country 13 MP3 Songs
FOLK: Modern Folk, POP: Folky Pop Details: The second album from a new artist who does it all. From writing the lyrics to collaborating on the music to recording all the instruments (except drums) to over-dubbing all the vocals there is a definite continuity and professionalism from start to finish. This sophomore release picks up where his first CD "One Plus One" left off. It features road songs, story songs and a compelling wedding trilogy. There's also moving love ballads from this songwriter's songwriter whose new approach is a breath of fresh air.
