

Mp3 Die Schlauberger (dsb) - Call It What You Want

[DOWNLOAD HERE](#)

Modern traditional alpine music, ballads, and polka; alpen-rock. 16 MP3 Songs WORLD: Polka, WORLD: Eastern European Details: Wise Guy Records has done it again with a new release by 2001 JPF Music Award Nominees die Schlauberger entitled "Call It What You Want". Currently only available on CD it has a running time of 66 minutes! Including 14 Tracks, a bonus track and a SURPRISE bonus track. The recording offers a wide variety of music ranging from Polka, Waltz, a hint of Alpine Rock, Contemporary Ballads, and even a traditional song turned into Reggae! Enjoy listening to dSb along with special guests from the Grammy Award Winning Jimmy Sturr Orchestra; Polka Hall of Fame Inductee Johnny Karas (Tenor Sax) on songs such as the "Fiddlers Polka", "Call It What You Want" and "Servus, Ihr Freunde" and Frank Urbanovitch (Fiddle) on "Fiddlers Polka". Additional guest musician Ozzie Melendez (Billy Joel Millenium Tour/Currently touring with Marc Anthony) joins the guys with trombone on "Alles O.K". The ever popular Clarinet Polka has been redone on this recording and turned into the very first "Guitar Polka"! Tom Staab of dSb battles it out with guest guitarist Didier Rachou in this song, which takes you down a musical road of surprises. You'll be amazed at how talented and gifted with speed these guys are on the guitar. Wait....there's more! Additional special guest Anna Brodsky provides vocals on the Austrian Ballad entitled "Weit, Weit Weg" (Far, Far Away) that will make you melt. Tricia Staab joins the boys of dSb with her gifted vocals on the comedy song "Anton Aus Tirol". This recording filled with special guests and featuring the six talented musicians of dSb takes you through the twists and turns of modern and traditional German/Austrian music and Polka Music in general.
