Happy Punk rock en espaol, now with their second record, ready for you. 13 MP3 Songs LATIN: Rock en Espanol, ROCK: Hard Rock Details: DR. JACK lanza su nuevo disco: "CHEMANYU" (English below) El cuarteto oriundo de San Fernando Valley, se encuentra calentando motores para el lanzamiento de su segundo material discografico que llevar el ttulo de "Chemanyu". Despues de la gran aceptacin que recibí DR. JACK en Mxico y USA, con su lbum debut "Hello My Name Is..."(Opcin Sonica, 2001), los doctores se preparan para presentar su segundo material que se lanzara a la venta el 28 de Mayo en los Estados Unidos y posteriormente sera presentado en el mes de Agosto en Mexico, lugar donde DR.JACK ya a realizado anteriormente 3 exitosas giras por la capital mexicana. Para la grabacin de "Chemanyu", se cont con la participacin de msicos invitados provenientes de la escena de rock Angelina, como Eric Rubalcava (Pastilla), Adn Bentez (Rascuache), Jos Marti (Bay), y Moiss Baqueiro (Bay, Los Abandoned). La produccin estuvo a cargo de Edgardo Ochoa. DR. JACK ya di a conocer parte de su material por medio de su aparicin en el compilado "Mexico Suen a Los Angeles" (Escchalo Records, 2004) con un par de canciones (El Penltimo y Tu Me Has) que son una muestra de lo que es su nueva produccin. Actualmente, el primer sencillo "El Penltimo" ya se encuentra sonando en la estacin de radio Orbita 105.7 fm de Mxico DF, as como tambien en estaciones independientes del pas azteca y de California. De la misma manera, el video de "El Penltimo" ya ha entrado con fuerza a la programacin de MTV espaol en los Estados Unidos y fue presentado de manera oficial el da martes 30 de marzo en el programa LATV Live. ////////////////English//////////////////// The Spanish Punk Rock quartet Dr. Jack originally from San Fernando Valley, integrated by Chris Natharent(vocals and guitar), Geras Medrano(vocals), Eddie Low(bass) and Obie Gutierrez(drums) is releasing their second album title Chemanyu"(Escuchalo Records, 2004). After the great acceptance that Dr. Jack receive in Mexico and United States with their debut album "Hello My

Name is..." (Opcion Sonica, 2001). Dr. Jack is also preparing the promotional tour of "Chemanyu" which will start in the month of August of the present year and will include the south and northern California, Nevada, Arizona, and will continue in the most important cities in Mexico. In Mexico will be their return to the much anticipated album release and the expected return to those lands by Dr. Jack who already has successfully toured in three different occasions in the Aztec nation. Many special guests from the local Rock en Espanol's scene were invited to participate in the recording of "Chemanyu". Among Dr. Jack's guests were Eric Rubalcava (Pastilla), Adan Benitez (Rascuache), Jose Marti (Bayu) y Moises Baqueiro (Bayu/Los Abandoned) under the production of Edgardo Ochoa. Some of Dr. Jack's new material has already been out the market in the CD Compilation titled "Mexico Suena a Los Angeles" (Escuchalo Records, 2004) with the couple of songs "El Penultimo" and "Tu Me Has". Those two songs are an early taste of this new production. Currently Dr. Jack is working promoting their hit single "El Penultimo" which is in heavy rotation in Mexico's premier radio station Orbita 105.7fm just like in independent radio stations in Mexico as well as California. The video for the single "El Penultimo" has also been introduce with heavy rotation to MTVS in the United States and Puerto Rico with great acceptance. This video was officially presented on March 30th in the important channel KJLA in the program LATV Live.
