[awarenessmag.com/novdec06/nd06\\_music\\_reviews.htm](http://awarenessmag.com/novdec06/nd06_music_reviews.htm) Dyan Garris - A Healing Journey - The Voice of the Angels - Journeymakers, Inc. A Healing Journey: The Voice of the Angels, by Dyan Garris has one of the best guided meditations available to the public. The closing track - "A Healing Journey - Guided Fantasy" - features Dyan's gentle exhortations, delivered with passion, sensitivity and grace. The soundscape surrounds listeners with beautiful atmospheres and euphoric drones. The neo-classical instrumentation is bright and evokes imagery of soft pastels. Leading up to the finale, Dyan delivers some awesome free form meditations. Her ecstatic minimalism sings with no vocals. Listeners feel the bliss as deep environmental atmospheres join in creating celebratory soundscapes. It is cinematic ambience as it builds to the climax. The passionate music elevates the spirit. This is an essential experience.

\_\_\_\_\_ Simple, fun, and delicious, November 11, 2007 By D. Campbell (Chicago) - See all my reviews This cookbook is a "10"! Dyan Garris is a master in the kitchen. I have tried many of the recipes and they have all been great. For a "non-cooker", I am now getting pretty comfortable in the kitchen. Most recently, the Chicken Cinnamon was very tasty and a big hit with my dinner group. The directions are all easy to follow and the pictures are excellent. I can't wait to try the desserts. A great addition to any cookbook collection.
