techo/trance electronica infused with freejazz and world beat grooves 10 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Trance Details: Detroit Electronic Music Maker EM Releases Second CD hi, welcome to my second CD EM 2. this 10 song CD was released in summer of 2002. this music retains some of the conceptual theme of the first CD, "expedite music". it soon developed into it's own creation. living in a new century, the events of 911, the polarization of people and opinion in this country. there was a lot to be under the influence of. now, a little info on the 4 sound clips presented here. "21st century": i wanted to write something about living in the beginning of a new era. i also processed my vocalizations and used it as a texture. "911": a solemn melody and tribute to all the victims of the 911 disaster. "check it out": who hasn't said this sometime in their life. i did check into this and this is what it sounds like. "party mix": for those of you who are about to dance. this mix is for you. that's the story on that. only you, can press the buttons. go have a listen. there's more of this if you can beleive it. stop by at EM1 or EM3. same EM, different music. enjoy your day.(or nite) EM
