[DOWNLOAD HERE](#)

Tales of heartache, sorrow, and sin with a glimmer of light at the end of the tunnel. 14 MP3 Songs in this album (35:44) ! Related styles: COUNTRY: Alt-Country, COUNTRY: Outlaw Country People who are interested in Johnny Cash Willie Nelson Hank Williams should consider this download. Details: Jason Eads takes us on a journey through heartache, sorrow, and sin as he tells Tales of Drunken Misery. The darkness that predominates Tales is softened by humor and hope. The album has an old sound and feel but the songs could never be mistaken as oldies. Familiar country themes are given the dignity they deserve. The result is a rockabilly infused brand of country with subtle classical guitar work, forward looking bass lines, a few scorching electric guitar leads, and even a little yodeling. Tales is definitely not pop country and is unlikely to receive radio play on most country stations. Totally independent, and composed, recorded, and produced in the backwoods of Humboldt County, California, Tales is pure, modern-day Americana at its finest.
