An original blend of new age acoustic guitar riffs and lyrics sure to get stuck in your head for hours. 11 MP3 Songs POP: California Pop, ROCK: Acoustic Details: Whether you are looking for music to listen to on the way to work, play at a party, or just relax to, this music is for you! Jason Gentile is a singer/songwriter attending Miami University in Oxford, Ohio majoring in Psychology. His music has an original sound with acoustic guitar roots. Gentile is always looking to do something different and to push the limits of his genre. With a sound somewhere within the realm of the bands like Goo Goo Dolls, Guster, and Dashboard, everyone can get into Gentiles groove. Not old enough to drink and in the process of recording his second album, along with music and videos being featured on various websites, fans should keep an eye on this artist on the rise.
