Indie, eclectic, pop 6 MP3 Songs POP: Quirky, POP: with Electronic Production Details: Rie Sinclair and Bob Hartry are a Los Angeles - based songwriting team for TV film. After a few years of working together on various recording projects, they developed a unique sound becoming Kite7. This emerging LA band has a quirky, moody, eclectic drive that ranges from acoustic to electronic lo-fi. Rie's vocals bring quality that's almost tangible, edgy and raw, but very genuine real. Bob's guitar and production work is textural, dark and experimental. With Kite7's new release "Glow" now available, a follow-up full length CD is already in the works a solo album of Rie's "Scared Of The Dark" like flavour is scheduled for future arrival.
