

Mp3 Marcel Aucoin - Weird Cocktail

[DOWNLOAD HERE](#)

Quirky jazz trio with lots of organ, accordion, glockenspiel, cheap synthesizers, s amples, and even a little spoken word. 10 MP3 Songs JAZZ: Weird Jazz, JAZZ: Bebop Details: "...simple but catchy tracks..." fragments of swing, bop, gospel, Latin and more....entertaining..." Geoff Chapman, The Toronto Star "Marcel Aucoin's WEIRD COCKTAIL is a corkscrewed concoction that goes down easy, combining a searcher's sensibility with influences from the exotica end of the jazz spectrum and a vigorous sense of fun. Aucoin has one ear cocked to the experimental aspects of his genre while making the music accessible to anybody marinated in late-20th-century pop culture -- a more difficult trick to pull off, without succumbing to total cliché, than it seems." - Carl Wilson, The Globe and Mail ".....one of Canada's best kept secrets..." - Scott Marshall, saxophonist, composer, improviser
