

Mp3 Marston Smith - Wall Of Cello

[DOWNLOAD HERE](#)

Classical cello by Marston Smith, a noted recording artist who crosses the boundaries of traditional classical cello repertoire with jazz, metal, fusion and other popular styles. 11 MP3 Songs CLASSICAL: Contemporary, NEW AGE: New Age Details: Marston Smith has long been recognized as a recording artist crossing the boundaries of traditional classical cello repertoire with jazz, metal, fusion and other popular styles. WALL OF CELLO is a remarkable introduction to many styles of music that lend themselves to his romantic interpretation. Marston Smith has introduced audiences of all ages to the infinite possibilities of Cello, Magic, Rock Roll and comedy, often bordering between David Letterman and Max Headroom. He has appeared on national television, in symphony orchestras, as well as in recordings for motion picture soundtracks. Classical Fusion Marston Smith is a noted recording cellist who has crossed the boundaries of traditional classical repertoire and ventured into jazz, rock, celtic and high fashion euro funk. He appears in world class jazz festivals and concertizes extensively with his electric 5 stringed celtic cello and is a highly esteemed recording artist appearing on the most recent albums of Maya, Stevie Wonder, Toni Braxton, Back Street Boys, Cool Breeze, Kiss, Raphael and Cue Tip. His appearance on camera are numerous including a Science Officer/Cellist on the Star Ship(Next Generation), The Beach Boys(release early 2000), For the Boys, Jazz Singer, Medicine Woman, Tina Turner, Frank Sinatra (mini series), and various talk shows.
