A brisk new-wave folk band from Karelia, N/W Russia. The lyrics, themes and ideas to songs has been gathered from from n/w Russia and eastern Finland, where old Karelia lies split 11 MP3 Songs WORLD: Eastern European, FOLK: Traditional Folk Details: Myllrit is a brisk new-wave folk band from Petrozavodsk, Russian Carelia. Myllrit makes its own arrangements of traditional carelian songs and melodies. The material to songs band has been gathered for example from old carelian bards during traditional song events. When arranging the songs the old traditions have been taken into consideration. Sound of the band is boisterous and, sometimes, rough. There are also influences from rock, jazz and worldmusic. when on stage the atmosphere gets boisterous as the band knows how to take its audience. This explains why Myllrit is so much in demand. The band is at its best when playing in rockclubs and worldmusicfestivals. The band is versatile when it comes to instruments, not only guitars, but also violin, accordions, pipes, kantele and "carelian syntetizicer" jouhikko are heard when band plays its music. Songs are performed in carelian traditional languages and also in finnish and russian. Myllrit has toured and played all around the world from Siperia to U.S. during its 10 year long career.
