

Mp3 Paul Clay - Made For Color

[DOWNLOAD HERE](#)

Singer songwriter Paul Clay produces an eclectic mix of 80's electro fusion, modern electropop and more crazy-dance fun. 13 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: Pop Crossover Details: Made For Color, Paul Clays debut album, is a whimsical and fun, yet sometimes serious, mix of trance/dance electro-pop. It has a progressive sound with heavy 80s-music influences. The lyrics are simple and catchy and often have surprising depth. The album was composed, recorded, and produced by Paul Clay out of Ashland, Oregon over the course of a year. Paul Clay is currently an independent artist living in Portland, Oregon. Album art by Tessah Joseph and Tahli OGrady. Album design by Paul Clay and David Cook.
