The perfect blend of emotion and groove. PoS singer/songwriter, Ginny Kincaid, dishes out personal (yet seducing) lyrics on a blanket of bi-polar acoustic guitar work. This is no Ordinary Girl. 12 MP3 Songs  
FOLK: Folk Pop, ROCK: Folk Rock Details: "Truly spectacular." "Sensual and pure." "Is there anything she can't do well?" These are some of our favorite quotes that we've heard over the past year describing Ginny Kincaid, the sixteen year-old songstress who fronts the acoustic-rock trio, Pictures of Serenity. Pictures of Serenity is the perfect blend of emotion and groove. Ginny Kincaid dishes out personal (yet seducing) lyrics on a blanket of bi-polar acoustic guitar work. Rob Soper's unique style of bass playing mixes jazz and funk to create tasteful counter-melodies and contagious "move it if ya got it" sass. Rounding out the trio is Josh Doyle who learned how to play the radio from his father but eventually moved on to playing the drums. After recording their debut self-titled album (which sold over 300 copies within the first six months), PoS returned to the studio to record their follow-up album "Every Song". Now available!
