

## Mp3 Pree - A Style Of My Own

[DOWNLOAD HERE](#)

An unusual sensitive singer with a 4 octave range. The combination of her creative vocals, musical textures and superb orchestration and excellent choice of songs truly gives this Native American "A Style Of Her Own". 12 MP3 Songs POP: Delicate, URBAN/R&B: Contemporary urban Details: Pree, who is an international entertainer and much respected soloist in the Detroit music community. She has been involved in the entertainment industry on multiple levels as a professional runway/printwork model, songwriter/publisher, graphic artist, lead vocalist on national commercials and as a live stage performer. She was born and raised in Los Angeles, California, but currently calls Detroit, Michigan home. Pree toured nationally with Martha Reeves as a Vandella giving her the opportunity to work with such artist as, The Temptations, The Spinners, The Four Tops, and Dick Clark. She has performed as a solo artist at The Brown Derby via The MGM Casino. She also performed as a backup singer with Shania Twain at The PineKnob Amphi theater and is a vocalist in the soon to be released documentary, "Standing In The Shadows Of Motown" which is a movie about the original musicians called The Funk Bros who played on all the hits that came out on Motown Records. Whether blending her voice with others as a popular LA/Detroit studio singer/vocal arranger or as a soloist on her current CD "A Style Of My Own" You will always know the sounds of Pree once you have had the chance to hear her unique vocal style.
