Primary Others are a completely original and diverse blend of Funk, Hip-Hop, Reggae, Jazz and Rock. Addictive, infectious and familiar, but unlike anything you've ever heard. 11 MP3 Songs URBAN/R&B: Funk, HIP HOP/RAP: Hip Hop Details: For decades now, people have tried to fit musical acts into genres; An easily digestible way to describe a bands overall sound. Every once in a while a band comes along that completely defies any one specific style, and has a broad enough appeal to transcend genres. Now, hailing from Boston blue-collar suburb Waltham Massachusetts, come PRIMARY OTHERS. A band who simultaneously and individually evokes hip-hop, reggae, funk, jazz and rock. And I use these terms loosely. What Primary delivers really is 'something different.' Exciting fans and winning new recruits with their energetic live show, Primary bring a conscious, positive party atmosphere to every performance. Primary's debut album, The Highland Formulas was recorded with Adam Rourke in the Red Room Waltham, with cover art by artist David Stoupakis, who also did the artwork on Korn's new album see you on the Otherside
