Parental Advisory Bassline lists 14 Tracks of pure instrumental dub with heavy roots 70???s ??? 80???s steppers dub plate style. Its RAW DUB AND HEAVY 14 MP3 Songs WORLD: Reggae, EASY LISTENING: Background Music Show all album songs: Parental Advisory Bassline Songs Details: Engineered and Recorded in the hart of England's second city of Birmingham Where I was born and raised in Mosley/Basall heath Where dub music is highly respected. Back in the days of high school the older Generations of high school students use to bring their giant ghetto blasters with big sounding loud speakers outside the school yard and they use to play music sessions on the grass playing nuff dub plate mixes. Having grown up listening to pato banton, macka B, Jah Shaka and other artists and sound systems I then started save all of my lunch and pocket money and I bought my first computer as time progressed I saved up more money and bought myself more equipment but I never did anything with the tracks I made, I have played my tunes at various venues and the response has been overwhelming and a surprising response I have now realised that keeping the music stored in my studio isn't gonna get heard so here's my first CD album WATCH THIS SPACE FOR NEW RELEASES. While you are here listening to this album why not go and check out my other album release Titled Dub plate Master Rewind Vol1 here is the Link cdbaby.com/all/majorquickdraw which is also available on download at Apple iTunes Just type in Qwickdraw in the finder and it should take you straight to it Check it out!! Peace and Love to one and all
