He is a vibrant producer/remixer that has had a year full of hits for such artists as Donna Summer, Hardrox, Crystal Waters and Judy Torres. Oye Party is Rod Carrillos new Latin House Anthem along with new artist Bodega Charlie. Carrillo believes the songs purpose is to bring back a lifting Latin feel party anthem. Oye Party is just a party feel good record for all walks of life, from the new to the old school, explained Rod Carrillo from his studio in Phoenix, AZ. When Luis Torres (DBL) and I wrote the record, we wanted to bring a funny but grooving party house record. With our diverse world we thought a Spanglish record would be ideal and create a party feeling both for the mainstream and underground world during these weird economic times in our World. Oye Party includes mixes from Legendary Chicago DJ Tim Spinnin Schommer. Tim puts the old school Chicago sound with a new twist Carrillo said. Also on the package are mixes by DJ Sted-E, of the famed trio Speakerbox , Mula, and new comer J-Paul. Sted-E and the Speakerbox guys are on top of their game. Sted-E banged out a mix for the underground culture while Mula gave the track a true Salsa feel. J Paul is a talented up and coming producer that rounded out the Electroclash sound in a very different and unique way, Carrillo concluded.
