

Mp3 The Absence Of Matter - Paradox

[DOWNLOAD HERE](#)

An intense experimental musical journey to another place and time. 15 MP3 Songs ELECTRONIC: Electronica, ELECTRONIC: Industrial Details: The Absence of Matter referred to by followers simply as tAoM returns with the follow-up to their powerful self-titled debut. The sophomore release "Paradox" is literally a continuation of the first album and was originally destined to be the second set of a double CD. According to the band, We were really pleased with the results of our work and didnt want to risk overwhelming the listener with too much material all at once. Releasing this sequel in isolation from the quietly successful first release prolongs the suspenseful listening experience. The title track addresses the Paradox of life itself, a recurring theme throughout many of the songs. A two part industrial dance session follows beginning with Entropy an epic thesis on global warming and the forthcoming ice age followed by Inscription an early single with a prophetic message of hope. Anticipated singles also include Chemical a treatise on human suffering and Carnival with its surreal backdrop. The "Paradox" album is described as a collective odyssey for the mind. Experimental videos for Entropy, "Presence," and "Paradox" have just been released. People who are interested in Killing Joke Siouxsie and The Banshees Joy Division should consider this download.
