Tiffany Gabrielle will help change that perception. Since Recording her debut album "WITHOUT BRIDGES" with Synergy Records, this Soulful artist has revealed her true identity. She is unmistakably, an honest Soul Artist. She has combined rich and beautiful melodies with warm soothing vocals that reflect a maturity beyond the scope of such a young 20 year old vocalist. Tiffany is eager to share her music with potential fans not just to entertain them but to educate them as well. "I am very pleased with the results of recording my debut album. I look forward to sharing my music, and my appreciation for music, with the world." "WITHOUT BRIDGES" is a collection of 11 songs that reflect a collection of Tiffany's emotional and heartfelt journey of her life and her perception of society. A true Singer/Songwriter Tiffany wrote or co-wrote all the songs on her album. Her album has a wonderful variety from the lushly arranged and extremely melodic "Erotomania" and "Deleted" to the honest soulful Motown Vibe of "How I Feel", to the Jazzy/Neo Soul of "Down To You". Inspired by all the Jazz greats, Tiffany named her album "WITHOUT BRIDGES" because of her tendency to not write bridge sections for her songs, she instead prefers instrumental solo's or vocal improv sections.
