Brand new music with a familiar feel constructed around a classic rock sound with a touch of pure Texas blues for the soul so that from the attention snatching roar of "Uptown" to the ghostly cool of "Gone But Not Forgotten", this is one blues/rock cd tha 10 MP3 Songs BLUES: Rockin' Blues, ROCK: Classic Rock Details: Behold, The Wyatt C Who Ever's Left Band. This eccentric trio presents a refreshing bit of originality in a sea of rock music sameness. Together, Wyatt C on lead guitar and vocals and his wife Lina Faye on bass with Marc Lojacono on drums play original music with a classic rock sound. Wyatt C resembles The King-Elvis, but plays that fact down by wearing a cowboy hat and boots. "Yes, people say I look like Elvis, but I do not encourage this or impersonate him-ever." says Wyatt C. Wyatt C's originals are a unique blend of ideas and clever lyrics that comment on contemporary modern life. His guitar soloing is often inspired, always technically proficient. This amalgam is an evolving original project worth checking out. The group's originals are interesting little fables with intelligently conceived poetic lyrics that are enjoyable over and over again. Unique and intriguing. Yes, Jim Morrison sang "people are strange" and John Lee Hooker sang "everyone is funny looking." Wyatt C writes, "My girlfriend hates my guitar." Of course, the girlfriend had to go.
