

Nazarene Eleven - Anthony Mitchell

[DOWNLOAD HERE](#)

'The Nazarene Eleven' by Anthony Mitchell-- a tale of murder, mystery, and intrigue, that explores the international web of conspiracy surrounding America's number one enemy, Bin Laden. The plot is packed with so many twists and turns, it is compulsive 'first to last page' reading. Author Dan Goldstone lands a lucrative contract to pen a novel of intrigue. Together with his wife, Ikes, who doubles as his unpaid researcher, they head for Chicago and the colossal Sears Tower. When they discover that they are being tailed, and that their tail has been murdered, they are inexorably drawn into a complex web of deception. All trails seem to lead to Saudi billionaire and international backer of terrorism, Bin Laden. Is he planning to obliterate Sears Tower, or is that just a smoke screen for something far more dastardly? When Dan and Ikes unearth indisputable proof that the Heavens Gate cult was murdered, the real target of Bin Laden's deception becomes even less clear. Eventually, finding themselves squeezed between the FBI, Mossad and Bin Laden, they find an unlikely ally in FBI Commander, William Woods. Will Commander Woods uncover the truth behind the murder of the Heavens Gate cult, in time to thwart Bin Laden? Or will Bin Laden prove, yet again, to have the upper hand in his holy 'Jihad' against the US? Author: Mitchell,
