Do you think that resell rights products really junk? they probably are what you think they are, because i have yet to show you what it takes to. Transform your collection of resell rights products into income-producing assets that puts money into your pocket... in only 15 days! Once upon a time, there were three friends who have decided to take a short break from a long discussion. They agreed to row a boat to the middle of a lake and have an afternoon tea. The three friends rented a boat and rowed to the middle of the lake. As they sat down to enjoy their tea, they realized that they had forgotten to bring the teapot. "I'll get the teapot," said the first friend, voluntarily. He stood up, put one leg over the side of the

boat, and began to walk on the water to the shore and back to the boat with the teapot. As they boiled the water, they realized that they had forgotten the tea leaves, too. They laughed at each other, and the second friend volunteered to take get the tea leaves. He put one leg over the side of the boat and walked on water. He returned shortly after getting the tea leaves by walking on water, too. The three friends soon enjoy their afternoon tea on the boat, but it would be nicer if they had some tidbits. The third friend volunteered to get some tidbits from the shop rows by the shore, though he was somewhat reluctant to do so. He insisted so anyway. He stood up like the other friends and put one leg over the side of the boat. He began to put his weight on his leg and... SPLASH! He sank and struggled to keep himself afloat. Seeing that he was drowning, the other two friends jumped in to rescue him. As the third friend climbed into boat for safety, soaking wet, he asked, "How did you two manage to walk on water?" The two friends looked at each other and said, "Oh, that's because we know where the rocks are." "I Know Where The Rocks Are, Don't You Want To Know, Too?" If you know where the rocks are when it comes to Resell Rights, you too can be the next smashing reseller success without struggling. How often do you hear the average reseller complain about the following: "Resell Rights products are junk. There is no real money to be made in Resell Rights." "Products with Resell Rights are made to benefit only their original product authors." "With thousands of other resellers? It sure is tough competition! How can I win? No way I can!" "Acquiring quality products with Resell Rights is expensive, and I cannot afford it." I don't blame the average reseller for complaining about some or all of the above because I mean, he doesn't have a copy of my manual after all!
