Testimonials Generator Are You Getting Overwhelmed with Tons of Testimonial or Review Requests? Want to Give a Great Testimonial But Aren't Sure What to Say? If so Then You've Got to See This!... Check this out... There comes a point in every internet marketer's career where he gets besieged by testimonial-seekers and review-requesters wanting to capitalize on his good name. But really, who can blame them? You've worked hard to not only make money online, but become someone that people look up to and trust. Adding your testimonial to a product gives it much more value, and you know that. You also know that there are dozens of truly great and innovative products out there. You wish you had time to review and recommend them all, but it simply isn't possible. It's a well-known psychological fact - people will go out of their way to avoid looking stupid. That includes making what might become a "stupid" purchase. Why do you think reviewer comments and opinion sites are so popular? They help us make informed decisions so we don't look "stupid". Testimonials are much more powerful. With every testimonial you make, a small piece of your "brand" goes with it. Customers who are loyal to you will take a serious look at any product you lend your name to. What you say is just as important as how you say it. Now, you'll never have to worry about writing the "perfect" testimonial, because you have: Testimonials

Generator? - The Only Software of its Kind that Automatically Writes Proven = "Attention Getting" Reviews and Recommendations with Ease! Suitable for PC - RRP $197! Imagine checking your email. In the last day you've gotten no less than a dozen requests from software programmers, eBook authors and a host of other people (including your marketing buddies) to take a look at their product and send them a testimonial if you like it no matter what! That is, of course, on top of the mountain of things you already have to do yourself! Testimonials Generator makes it simple and quick to create authentic, compelling testimonials - without stressing or slaving over the "right" words. Each one includes real details that go much farther than your typical "Great job! This product really saved me money!" testimonial would. All you have to do is add Your Name Your Web Address The name/company of the person you're writing the testimonial for The name/type of their product ...And then just click a button! It's that easy! The software handles the rest in creating real, believable testimonials that the product owner would be overjoyed to read! We both know writing strong, convincing testimonials takes work. And that's work that you and I both know could be better spent on creating and marketing your own products, building up joint ventures, calling on potential customers and better servicing your own business. Not only will you shave hours off of trying to come up with a solid, reputable testimonial or review, but you'll also give the testimonial-seeker a super-charged "gift" in your recommendation that he or she can be proud of. What it all boils down to is this -- you want to make things easier for yourself - and Testimonials Generator is one can't-miss piece of software that helps you do just that! I think you'll agree that compared to your own time, and how much you charge for it, Testimonials Generator is something you and your business can't afford to be without. Look at it this way - the more you market yourself, the more you sell and the more you build your own "brand", the more you'll be sought-after to give your feedback on an avalanche of products! You're better off getting Testimonials Generator now and saving yourself hours of time later! That's nothing compared to the time and effort you'll be saving. And these testimonials look just as real and persuasive as if you had actually sat down to write them yourself!
