This Turnkey Traffic Convertor Pro Script allows you to Covert Exit Traffic to Potential Customers. This Script is a small php script you can use to generate little 'exit traffic salesmen'. As soon as they get a sense someone is about to abandon your site they jump into action, funneling the traffic where you want it to go before its gone forever. You can generate an infinite number of these salesmen and put them on any webpage you want. All you have to do is add one line of javascript code your webpage. This is easy to do, only takes 30 seconds and full directions are provided. Comes with Turnkey Resale Rights and a Sale Page so that you can Resell It if you want!
