

Unshackled: A Survivor's Story Of Mind Control - Sullivan, Kathleen

[DOWNLOAD HERE](#)

From Kathleen Sullivan: Unshackled is a non-fictional account of my experiences as part of a criminal network. This underground network includes Intelligence personnel, military personnel, doctors and mental health professionals contracted by the military and the CIA, criminal cult leaders and members, pedophiles, pornographers, drug dealers and Nazis. Like the Mafia, the rules and mores of this criminalized, networked subculture are drastically different from the rules and mores of "normal" society. I'm not an exhibitionist. I value my privacy. And yet, I believe my story needs to be told so that more people will understand how "Manchurian Candidate" style mind-control techniques can create alter-states in the mind's unwitting victims so they will perform deeds that are normally repugnant. Many government mind-control survivors are remembering, breaking free from manipulative handlers, and finding healthy support in the midst of their own exhausting recoveries. They are my heroes. I'm alive today because of their fierce and dedicated support. They kept me alive when suicide seemed an easy way out. About the Author: Kathleen Sullivan is a former CIA MKULTRA operative. This is her first of several books about MKULTRA, her experiences as a victim and heroic story of her survival. She is Founder/President of North American Freedom Foundation (NAFF) nafffoundation.org.
