

Beneath Hill 60 - Will Davies

[DOWNLOAD HERE](#)

'Ten seconds, nine, eight, seven, six, five, four, three, two, one - fire! Down goes the firing switch. At first, nothing. Then from deep down there comes a low rumble, and it as if the world is splitting apart...' On 7th June 1917, nineteen massive mines exploded beneath Messines Ridge near Ypres. The largest man-made explosion in history up until that point shattered the landscape and smashed open the German lines. Ten thousand German soldiers died. Two of the mines - at Hill 60 and the Caterpillar - were fired by men of the 1st Australian Tunnelling Company, comprising miners and engineers rather than parade-ground soldiers. Drawing on the diaries of one of the key combatants, Beneath Hill 60 tells the little-known, devastatingly brutal true story of this subterranean war waged beneath the Western Front - a stygian battle-ground where men drowned in viscous chalk, suffocated in the blue gray clay, choked on poisonous air or died in the darkness, caught up in vicious hand-to-hand fighting...Author: Davies, Will Publisher: Transworld Digital Illustration: N Language: ENG Title: Beneath Hill 60 Pages: 00288 (Encrypted EPUB) On Sale: 2012-02-29 SKU-13/ISBN: 9780857500496 Category: History : Military - World War I Category: History : World - General
