Erotic, hot, creative, feel good, uplifting and not-your-typical R&B 15 MP3 Songs URBAN/R&B: R&B Pop Crossover, URBAN/R&B: Contemporary urban Details: " Fusion" Are you hungry? Feast your appetite on an appetizer of hip-hop, a main course of r&b, and for desert pop. With this entre you get "Fusion." Fusion is the introduction to a new era, a revolution of a mixture of musical genres sure to appease the finicky palates of those that are prone to myopic views of entertainment. The definition of fusion is simply a mixture or blend of something. April demonstrates the very meaning this by tastefully combining the elements of r&b, hip-hop, and pop. The hit single "Show Me" has been demographically embraced by the masses, which has turned the key and opened the door of anticipation to the release of her full length c.d. "Fusion." The response to "Show Me" was so overwhelming by the supporters of it, that the demands for an encore was met and led to part two of "Show Me" the ("Let's Do It Again" power remix) that is sure to get you up and dancing, even on "Thin Ice." The entire c.d. is has a mixture of life situations that are sure to have been experienced by all human beings at one time or another. Regardless of your financial, musical, or racial background, we have all experienced love, hurt, pain, betrayal, and happiness, and this c.d. covers all spectrums of these experiences in a unique format. From the intro. To the outro. April Norris' "Fusion," is an introduction to an artist that has a promising future judged by the supporters of the refreshing music that has already been a well received dish that has left many music lovers already asking for seconds. With tracks from "I Like" to "Claim To Fame," she can't lose with the stuff she used, and neither can you by owning it. "Fusion" is definitely a musical piece that you do not want to miss out on, by not having it in your collection.
