Acoustically driven singer/songwriter music containing elements of jazz, blues, folk and flamenco 10 MP3 Songs FOLK: Modern Folk, POP: Folk Pop Details: Introducing Daniel Walker Taking roots in jazz, blues, and flamenco, Daniel Walker is somewhat of an abnormal singer songwriter. Easily associated with John Lennon's post-Beatle solo career, the twenty-three year old Portland, Oregon native has an eclectic writing style combined with brutally honest, emotionally and spiritually driven lyrics. "There's something magical about music that's not afraid to stand up and talk about uncomfortable subjects such as religion, suffering, and spiritual growth. This is generally where I draw my inspiration from; real life experiences" - Daniel Walker Daniel, now based out of San Antonio, Texas enjoys a diverse interest in music, has a blossoming teaching practice with students ranging from 7 to 45 years of age. He has studied music theory at Portland Community College and currently is supporting his first CD release(2006).
