"My album is currently being manufactured by "Discmakers" and will be coming soon!!! I just received some mp3 sample clips from my album which I'm posting here in my EPK. I am really excited about my album...I spent a great deal of time selecting my songs, playing out live as much as I can (which I love that is why I am predominately a solo artist, I can play out all the time, as much as I want to, especially for a cause...) I've gotten through many obstacles to get to this point, but I am here...I am so in the now! Working with producer Lauren Stalnecker on my album was a dream come true! He totally got me, my vision, as well as my music...not only do I love him as a producer, but as a person, he truly is a special breed!" Denise's album "FRAME OF MIND" will feature her singing and playing guitar on 10 songs she wrote, she will also be credited as a co-producer on her album, and she is very excited as well about featuring the Spanish/English version of her favorite cover song written by songwriters Lowen Navarro "We Belong/Junto A Ti". If you would like a sneak preview of some songs on the album, go to her page myspace.com/denisevasquez "It's an incredible feeling...I am living my dreams! I was influenced by art at a very early age. My mother was an artist. We didn't have much, but music and art and the theatre have always been a part of my life. I began singing from the time I could talk, dancing from the time I could walk, and writing from the moment I could form a sentence. My first experience on stage was at the age of 6 with "Ms. Dorothy's Dance Troupe" at Lincoln Center. Throughout elementary, I had the opportunities to perform again at Lincoln Center with my chorus. In Junior High, I performed at Avery Fisher hall as a violinist with an orchestra my teacher put together with hand selected students from her class. High school was where I got a taste of acting. After graduating High School, I enrolled in The Lee Strasberg Theatre Institute where I studied acting and began seriously pursuing the theatre. I've had the pleasure of performing in: Off Broadway productions (NYC), Improv groups (NYC), Feature Films (Carlito's Way, Jungle Fever, Malcolm X...) TV (Law Order,

MTV, House Of Buggin...) as well as dancing in some Music Videos (You can see me in throughout Kenny Chesney's entire video "How Forever Feels"). I feel that all of my experiences have prepared me for this moment!" Denise has acquired some NEW SPONSORS recently: Audix Microphones, Minawear.com, thewish.org, unitycorps, and she will be working with Rock4Orphans in the near future. Regarding her sponsors, Denise says "I use and support products I really believe in! Performing for AUDIX at their booth (At NAMM 2006 In Anaheim, CA) was an experience I will never forget! I use my Audix OM6 or Audix VX10 everywhere I perform! The other day I received a phone call from the representative of the Torch Foundation, asking if I would perform at an event for "LAYN" which helps homeless kids get on their feet...not only did I perform, but I have stayed in contact with some of the kids...I am an artist with a cause!" Denise continues writing songs every day, especially since she was inspired by Tim Bomba during a "Just Plain Folks" workshop. "Tim challenged 20 of us to turn off everything for 7 days and write 7 songs in 7 days...I think 2 of us accomplished this...two of the songs I wrote during the challenge "Right Here In My Dream" and "Take A Look On The Brightside" ended up on my upcoming album!" Nominated for BEST INDIE FEMALE VOCALIST 2004 BY THE LA MUSIC AWARDS, THREE TIME WINNER of the ASCAP PLUS PERFORMING SONGWRITERS AWARD(2003, 2004, 2005), SELECTED BY MUSIC CONNECTION MAGAZINE TO BE ON THEIR HOT 100 UNSIGNED ARTIST LIST FOR 4 CONSECUTIVE YEARS, Denise Vasquez brings her big heart and unique mix of music to audiences around the world. Denise has been featured LIVE on KPFK 90.7 FM "ARTS IN REVIEW" and 88.5 FM "TIED TO THE TRACKS"; and her song "Angel In Disguise" was played on NETTE RADIO'S special LOVE show. Denise has been compared to Janis Joplin meets Jewel, but Denise writes and sings from her own soul. Her considerable vocal range and songwriting talents have earned her the praise of critics and the industry alike. Denise was selected to be a FEATURED ARTIST in WESTLAKE AUDIO STUDIO'S ARTIST DEVELOPMENT PROGRAM. "That was yet another dream come true!!! Walking into Westlake was so overwhelming, knowing the history of icons that have recorded there!"In addition to "Frame Of Mind", Denise has released two other albums on her own "Fighting Darkness" "Live In One Take" which are both LIVE albums. I've been through many ups and downs in this life...what a rollercoaster ride...I'm now at the point in my life, where everything kind of makes sense...everything that I have experienced has led me to be the woman I am today!"
