While being nomadic by nature, it was inevitable for Malik B bumps heads with Hakim Woods of FDME to produce what some would call a confessional album consisting of raw freestyles from the gut. This ill CD was created by Malik B and F.D.M.E's Emcee Haak Blast to start a buzz for Malik B's solo recordings. However, it became bigger than expected! Because of "Street Assault", Malik B will now be on The Roots' last album on Geffen Records coming 2005. Written by Sabina Diaz
