Puzzles is hip-hop with a sick twist--the songs double as puzzles that must be solved to understand the correct meaning of the song. 6 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, SPOKEN WORD: Poetry Details: Who/What is Headmess? I bet you hear this all the time--"Ready for a completely different kind of music?" Well, believe me, this time it's true, this is different. The Headmess Project's purpose is to rethink the lyrical side. What, for example, is a lipogram, and how might it work in music? Or an acrostic? Want to see this in action? See if you can solve the songs "Wrap" or "Check Me Out" with this in mind. Or, just enjoy a good listen.
