This is easy listening, contemporary and classical music in electronic format. 9 MP3 Songs CLASSICAL: Contemporary, EASY LISTENING: Mood Music Details: FREEDOM'S CALL Your Call To Be Musically Free! Freedom's Call is a unique CD filled with exquisite melodies and toe tapping rhythms. It musically expresses the heart felt desire of the human ethos to have liberty from the grinding round of everyday life. FREEDOM'S CALL is a call to be free from the bondages of life. The Concerto fantasia has an orchestral palette that opens up a broad spectrum of liberty. The Quartet in D Flat and Gracious Rondo depict a classical pathway to freedom. Look Forward to a brighter future with promise of a better life. Waltz in D Flat continues the mood of hope and joy. In Kings Bounty we see the achieving of a more abundant destiny. The Organ Voluntary evokes both grandeur and purity. Double T Study represents life as it is but the beautiful second melody overcomes the darkness of the past and present and the clouds reveal the sunlight. Freedom's Call is the orchestral unfolding of the splendour of what is not only possible but even probable if we truly obey Freedom's Call.
