Details: This album of music CD was composed electronically by Johnson Gao in April 2009. It has 10 tracks with a total playing time 31:29 min. Each song has two versions, which had used different instruments. The song "Love is not merely a piece of pretty rose" was first composed in this CD for a Chinese poem by Johnson Gao at [poetry.com/dotnet/W0299513/999/1/display.aspx](http://poetry.com/dotnet/W0299513/999/1/display.aspx) and the music sheet with lyrics in English which was published at [lulu.com/content/6878107](http://lulu.com/content/6878107) and [lulu.com/content/6888623](http://lulu.com/content/6888623). Then, that song was converted to the second version with new lyrics and was called as "We Love Obama". The MTV of that song was posted at [youtube.com/raygao2000](http://youtube.com/raygao2000). The melody of "Dance with Obama" was modified from a Chinese folk song. The editing of that song was stimulated by "Barack Obama on Ellen" show at [youtube.com/watch?v=RsWpvkLCvu4&NR=1](http://youtube.com/watch?v=RsWpvkLCvu4&NR=1) . "A Long Journey to the Great Wall" was modified from an ancient Chinese song. [lulu.com/content/7076151](http://lulu.com/content/7076151). This CD may be called as "For Obama" if you like, since there are two songs/four tracks in that album which had directly mentioned the Obama's name. The "US Marching Song" has another name: "A Marching Salute to the Chief". That song may fit for Obama, who is the Commander-in-Chief. Finally, the song "A Long Journey to the Great Wall" may also fit for Obama, suppose that he would like to take a long journey visiting China and walk to the Great Wall in the near future. There was a story of Meng Jiang Ny who walked a long way to the Great Wall at [youtube.com/watch?v=46KW5HqhdaA&feature=channel\\_page](http://youtube.com/watch?v=46KW5HqhdaA&feature=channel_page) , which is an MTV with the full song and a short story. A midi form in full length can be listened to at
