

Mp3 Massimo - Now And Then

[DOWNLOAD HERE](#)

singer-songwriter with lyric depth and rock sensibility 14 MP3 Songs ROCK: Modern Rock, POP: Beatles-pop Details: For more than a decade, from coffeehouse troubadour to the leader of the rock band that is his namesake, Michael Massimo has always laid it on the line, uncompromising in his style, songs and delivery. For those who have never known him, this CD is a great way for listeners to introduce themselves to his songs and the energy of his performance. Includes remastered songs from previous albums, live recordings and new material never before released. From the liner notes: "This CD captures inspired moments when no one thought about recording or perfection, everyone in the room forgot themselves for a while and we all shared a special evening together. Bands have come and gone, but the support has remained constant. Thanks for keeping the faith." One listen and you'll know why.
