WHAT'S NEW WITH "MAXX" Maxx has achieved many of his personal goals,main one completing the "Philosophic Rock" CD. His next challenge was to join or form an extrodinary band to perform the music on the CD. Well, it almost fell into his lap.a friend of a friend(Lance)said,come check these guys out,they are looking for a lead guitar player. so he decided to look into it, his worst nightmare was that they were going to suck."NOT"!!!They were awsome Maxx joined the band, they made some personel changes, played some gigs,radio interviews,and alot of hard core rehersals. They are now "SHARP". four members with styles ranging from classical,Jazz,Fusion,Rock and a touch of iron no metal! strong melodies,great hooks and catchy lyrics with a combined effort of all their background expierences,influences and hard core rehersals.They have creatd a style that is real,fun,strong,colorful,and in demand. No gimicks or obscurities,just great rock and roll. They are gearing themselves up to record another 14 songs with the style they created and proved to be effective in live applications. Check it out! no sound yet,but photos of SHARP can be found at kellys.com/sharp20. See you soon! MAXX KELLY
