Naughty Songs For Rotten Children Ages 2 and Up Songs that will make your child laugh and you toooo. 6 MP3 Songs KIDS/FAMILY: Children's Pop, POP: Bubblegum Pop Details: In the spirit of LEMONY SNICKET comes NAUGHTY SONGS FOR ROTTEN CHILDREN created by the husband and wife team of LESLIE NEWTON and MICHAEL RIVKIN. After consulting with the experts(4 year old RUBY CAMPBELL) Michael and Leslie determined to write some children's songs that today's more sophisticated kids could relate to. They failed miserably instead coming up with such titles as WHO FARTED IN THE ELEVATOR and RIDING IN THE CAR IS BORING. To their delight the experts(4 year old RUBY CAMPBELL) loved the songs anyway. Before releasing the songs to the public Leslie and Michael took the precaution of changing their names to MERLY COOTS(Leslie) and HAROLD SCHAEFF(Michael) to avoid mobs of angry parents who might find the songs shocking but that kids will enjoy time and time again. So kids ignore your parents and listen to NAUGHTY SONGS FOR ROTTEN CHILDREN again and again until you drive them mad. ps This album was created and performed by MERLY COOTS and HAROLD SCHAEFF and has nothing whatsoever to do with Michael Rivkin and Leslie Newton. Really.
