

Mp3 Pitch Black Dream - Fading Away

[DOWNLOAD HERE](#)

Pitch Black Dream is the soundtrack for life after dark -- moody songs with a dark pop edge. 10 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: Bernadette McCallion Rich Gaglia have teamed up for another release as Pitch Black Dream. Together, they are forging a new sound in electronic music - dreamy, beat-driven with a pop-edge. On "Fading Away," they have expanded their sound with more guitars, and focused their songwriting to create taut songs full of cinematic imagery. Pitch Black Dream's music is moody and atmospheric, perfect for soundtracks. Songs from their debut, "Never Going Home," were featured on The Shield on FX, on MTV's Real World, Camp Jim and in several indie films. As a solo artist, Bernadette's music has appeared on NBC, MTV, XM Satellite Radio, syndicated radio, and in indie films. Her music can most recently be heard in the features "The Champagne Gang" and the soon to be released "Aces." Rich Gaglia is a NYC based producer and front man for the rock-alternative band Psych! Bernadette and Rich's cover the Doors' "Love Me Two Times" was chosen for Skipping Discs compilation "Love Her Madly: New Women Artists Cover The Doors." In addition, PBD's cover of "Space Oddity" is the lead track in Skipping Discs compilation of new artists paying tribute to David Bowie, "Spiders from Venus." "Fading Away" is a limited edition CD is available exclusively through CD Baby. Get your copy while they are available.
