Scott Reynold Philipp Having compiled a set list of over 40 original rock tunes for live shows and appearances Scott decided to begin the band STONE BABY and embark on the recording of their debut self titled album. Live performances feature guitarist "Ponch" Morgey, and Drummer Kevin O'beirn while the Album features The writing and playing skills of both Scott and Josh..with guest players Tom Gillam, Craig Simon, &Joe Carroll all of the mighty tractor pull Josh Brown Josh Brown, on bass guitar, previously played with the band "GRIND". On acoustic numbers, he plays rhythm and occasional lead, and has come up with several riffs for the the new songs Stone Baby is currently recording. Contributing Artists Tony Schiavo Tony Schiavo, the sometime drummer, has been around, playing drums with Scott, in numerous previous bands, including "GRIND". His driving style and experience helped to shape an appealing envelope to the early music of The Stone Baby. Using original material written by Scott and Josh, Stone Baby provide a modern sound with a difference; the style ranges from mellow and slow to fast and dangerous.
