Palestinian-American Hip-Hop for the Masses--fresh beats and conscious, acrobatic lyricism. An underground hip-hop must-have. 17 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: West Coast Rap Details: The Philistines started thumping beats in their mothers' wombs. They came out rapping, and have been delivering hip-hop for the masses ever since. The group formed when emcees B-Dub and Ragtop (Palestinian-American brothers who came up in East Tennessee) decided to stop messing around and put out an album. The result, the 17-track Self Defined, is an eclectic blend of beats and tight, conscious lyrics--inspired and informed by the harsh realities facing today's hip-hop community. Along for the ride are beatmestier B.Swisha and the Filipino Filistino, Flip (aka Cookie Jar). Since the album dropped in October, 2003, the P has performed in shows and benefits from Guatemala to Jersey. The relocation of the group to L.A. and the addition of the infamous DJ Afterwords has sparked a slew of fresh tracks that continue the legacy begun in Self Defined. Strangely, when asked to comment on the album, Afterwords' only response is BUY THE D*MN THING!
